Introduction

The Maryland Department of State Police, Field Operations Bureau, is the most visible and largest component of the Department. This bureau is composed of men and women in uniform who symbolize our Department. The patrol trooper has many responsibilities, such as identifying those who violate traffic and criminal laws of the state. The goal for all troopers on patrol is to promote safe driving, prevent crashes, investigate collisions, maintain traffic flow, save lives, apprehend criminals, and to build strong relationships within the community. Every member of the Department begins their career in the Field Operations Bureau.

The Maryland Department of State Police Field Operations Bureau models a paramilitary structure. There are 23 barracks throughout the state organized into six troops, each commanded by a captain. The six troops form two commands, the northern and the southern. These two commands are each commanded by a major. In addition, the Field Operations Bureau includes the Special Operations and Transportation Safety Command. These two commands consist of the Commercial Vehicle Enforcement Division (CVED), Automotive Safety Enforcement Division (ASED) and the Special Operations Division (SOD). Within those commands are subunits, consisting of Emergency Services, SPIDRE (DUI enforcement), CRASH (collision investigation), K-9 and S.T.A.T.E. (SWAT).

If you are interested in being the first to a scene, helping those in need, and representing a Department with a proud and distinct history, become one of Maryland's Finest and earn the title of Trooper.

Lieutenant Colonel Roland L. Butler

Chief – Field Operations Bureau

Internship Program Overview

Below are the written requirements and practical assignments to meet our standards for internship. Our program has been designed with some flexibility to satisfy your college or university's requirements and/or obligations for credits. As such, any obligatory matters should be discussed or negotiated with a supervisor with the Maryland State Police before your internship begins.

The Application Process

Every intern applicant must first complete our on-line application and pass an abbreviated background investigation. The background investigation will include: a criminal history check, a driver's license check and a reference check. A supervisor from our Department will then conduct an interview with you and explain the program's process and expectations. At that time, students are required to read, understand and sign our Waiver of Claim and Release of Liability (Form 45), Confidentiality Agreement and Terms of Agreement. In the event the application is rejected, Human Resources Division will notify the applicant of the rejection within 30 days.

Timeframes for Our Program

Internships will be completed in the fall, spring or the summer. Applications for internships should be submitted within the following time frames:

Fall: May 15 - June 15

Spring: October 15 - November 16

Summer: March 1 - March 31

*The above timeframes may be waived at the discretion of HRD.

Internship applications will remain on file for one (1) year, after which a new application will be required.

Supervision and Mentorship

Every Section/Division will have a program supervisor who manages the internship program. The responsibility of the supervisor is to ensure the application process is completed and that the intern understands the requirements. The supervisor will assign the student intern to a mentor. The mentor will be a trooper, investigator or civilian, typically assigned to a work group or unit, who will follow the student throughout the entire program, ensuring that the My Daily Activity Log and My Learning Objectives are being completed properly and in a timely manner. The mentor's primary role is to facilitate assignments within their work group or unit and to act as the liaison for any and all other required program assignments. Mentors are not required or expected to provide every experience. The mentor serves as a first line supervisor for the intern and should be readily available to answer questions and provide guidance. In any situation where the intern is not satisfied with their experience, they should feel free to contact the program supervisor. Finally, the mentor or the supervisor may complete any midterm or final evaluations required from the educational institution.

Written Requirements & Assignments

- 1) Maintain the My Daily Activity Log, a list of practical assignments, during each of your tours by securing the date, your work hours and your mentor's signature.
- 2) Complete the My Learning Objectives. These are objectives designed to help you evaluate career options, establish connections for future employment opportunities, and understand the role and responsibilities of a particular division/unit.

Qualifications for Student Interns

- 1.) Must be at least 16 years old and must be attending or be a recent graduate from a high school, college or graduate school.
- 2.) Must obtain a letter from their educational institution requesting to participate in the internship program before the intern completes an application.
- 3.) Must be of excellent moral character.
- 4.) Must have a Motor Vehicle Administration Record without a serious offense.
- 5.) Must not have criminal convictions of any kind.
- 6.) Must be physically and mentally capable of performing assigned duties.

MARYLAND STATE POLICE CORE VALUES

Integrity: Maryland State Police personnel shall uphold the public trust by being honest and maintaining the highest standards of ethical and moral character.

Fairness: Treat every person with respect and dignity in an unbiased, courteous and professional manner, remain in control and respond appropriately when dealing with a citizen or an MSP employee and protect the constitutional rights of all persons through impartial enforcement of the law.

Service: Provide dedicated and compassionate assistance to all persons; promote leadership, cooperation and assistance to fellow employees, allied agencies and other governmental entities; strive to improve the service we provide, the quality of life in the communities we serve and the relationships we have with the community; and obey all Maryland State Police policies.

The Resources of the Maryland State Police

Interns will initially conduct their internship within the Field Operations Bureau. Interns will then be exposed to units/divisions within the Support Services Bureau and the Criminal Investigations Bureau. Interns are expected to be exposed to and/or experience the various skills, knowledge and abilities related to that position.

FIELD OPERATIONS BUREAU:

Uniform Patrol

Uniformed Troopers, assigned to one of the 23 barracks throughout the State, make up the most visible and recognizable part of the Maryland State Police. As the lead law enforcement agency in Maryland, the Maryland State Police offers a wide range of exciting assignments and specialized units that are as diverse as our team of Troopers. Although many Troopers are assigned to specialized divisions and units, the basic duties and responsibilities of every Maryland State Trooper include:

1. Trooper:

- Enforcing the criminal and motor vehicle laws of the State of Maryland
- Investigating traffic accidents
- Investigating and completing criminal investigations
- Providing basic medical attention to ill and injured persons
- Issuing traffic citations and warnings
- Interviewing witnesses, victims and suspects
- Writing field reports
- Arresting and processing suspects

- Preparing cases for court and testifying in court

- Ability to recognize regulation violations and determine appropriate course of action
- Ability to prepare and maintain inspection logs and reports
- Ability to use and maintain testing and measuring equipment;
- Ability to assess the safe operation and maintenance of commercial and freight motor vehicles
- Ability to testify at court proceedings concerning safety violations and non-compliance findings

Automotive Safety Enforcement Division

The Automotive Safety Enforcement Division (ASED) of the Maryland State Police is responsible, by law, for the State's Vehicle Safety Inspection Program, and serves as the central repository and clearinghouse for Safety Equipment Repair Orders (SERO) issued by all law enforcement agencies throughout the State. Personnel within ASED comprise of both sworn troopers and civilian personnel.

1. MSP Vehicle Safety Inspector:

- Conducts inspections and investigations of Maryland licensed Vehicle Safety Inspection Stations to ensure compliance and enforcement of State and federal motor vehicle safety laws, rules and regulations
- Inspects and measures various systems/components of motor vehicles
- Investigates inspection related complaints at licensed Safety Inspection Stations
- Issues citations, safety equipment repair orders, and warnings at Maryland licensed Vehicle Inspection Stations for violations to Code of Maryland (COMAR) regulations
- Prepares and maintains inspection and investigation reports and manuals
- Revokes registration of non-compliant vehicles
- Testifies in court and administrative hearings regarding violations and post-crash investigative findings
- Assists with the examination of post collision vehicles in accident investigations
- Assists with Safety Equipment Repair Order (SERO) classes given to Department of Maryland State Police (MSP) and allied agency personnel

2. MSP Vehicle Safety Inspector Supervisor:

- Performs all of the duties listed for an MSP Vehicle Safety Inspector
- Plans, schedules and evaluates the work of MSP Vehicle Safety Inspectors
- Trains MSP Vehicle Safety Inspectors
- Collects and records survey data from Maryland licensed Vehicle Inspection Stations
- Prepares and maintains inspection and investigation reports and manuals
- Revokes registration of non-compliant vehicles

- Assists with the examination of post collision vehicles in accident investigations
- Performs salvage inspections; Assists with Safety Equipment Repair Order (SERO) classes given to Department of Maryland State Police (MSP) and allied agency personnel

6

SUPPORT SERVICES BUREAU:

Aviation Command:

The MSP Aviation Command operates and maintains aircraft dispatched from seven locations throughout Maryland to provide 24-hour coverage for medical transportation of sick and injured patients, law enforcement support, search and rescue operations, and homeland security missions.

Education and Training Division:

The Division administers Department training programs, including curricula development, in-service, and specialized training. In order to become a Maryland State Trooper, candidates must complete a 26 week live-in, military-style training

academy. Candidates receive college level academic courses, equivalent to 45 college credits. Candidates also receive driver training, firearms training, defensive tactics, survival skills, First Responder Certification and criminal/traffic law. Upon graduation, troopers are among the most highly trained law enforcement officers in the country.

7

Police Communications Support Division:

The Police Communications Support Division (PCSD) is responsible for the statewide oversight of the National Crime Information Center (NCIC) for all Maryland law enforcement agencies, as well as communication systems training for all Maryland State Police personnel, including Police Communications Operators (PCOs), MSP Headquarters compound security, and statewide management of the Regional Automated Property Information Database (RAPID).

Human Resources Division:

The Human Resources Division is comprised of two operating sections. The Employment Services Section is responsible for all sworn and civilian recruitment activities, salary administration, as well as classification and compensation procedures. The Personnel Administration Section oversees the Department's medical administration, and personnel related support in the areas of attendance control, retirement benefits, and performance evaluation record keeping.

CRIMINAL INVESTIGATION BUREAU:**Crime Scene Investigations – Forensic Sciences Division:**

The Crime Scene Section (CSS) is responsible for processing crime scene evidence, to include: identification, collection, preservation, photographing, sketching, storage and transportation of evidence into the laboratory facilities. Bloodstain pattern analysis, facial composite generation and bullet trajectory determination are also available. Along with processing crime scenes, the technicians work closely with criminal investigators, providing technical assistance, thereby allowing investigators the opportunity to conduct a thorough investigation. The technicians are available to Maryland's law enforcement community twenty-four hours a day.

**Licensing Division:**

The Maryland State Police Licensing Division administers the provisions of the Annotated Code of Maryland and COMAR related to the licensing and registration of firearms, handgun permits, security guards, private investigation agencies and other licensing functions as defined by statute or regulation. The firearms review committee reviews and approves firearms to be legally purchased in the State.

9

Criminal Investigations:

The Criminal Enforcement Division is comprised of multifaceted investigative sections that work jointly with one another to conduct and complete investigations regarding gang activity, firearms enforcement, computer crimes, missing and exploited children, homicides, fugitive apprehensions, vehicle thefts, identity fraud, sale and distribution of narcotics, various property crimes, and violent crimes against persons.

**Full time internships are also available within the Support Services Bureau and the Criminal Investigations Bureau. Please contact the Human Resources Division Internship Coordinator for more details.*
